Dear Mr. Johnson:

Please allow me to extend my warmest congratulation on receiving a 2012 Great Lakes Academic Preparedness Grant.

I believe that education is the foundation of success. By continuing to foster a learning environment which promotes striving towards academic excellence, your team and your programs, College Club and Verona College Club, are leading students toward a bright future and love of learning. This award recognizes your passion and commitment to improving the lives of Wisconsin's disadvantaged students and adult learners. Education is the key to a better future and you are helping students to realize that. I applaud you for your efforts.

Again, congratulations and best wishes for continued success.

Sincerely,

A handwritten signature in blue ink that reads "Herb Kohl".
