Dear Michael:

Congratulations on being recognized as the *2012 Executive of the Year* from The Professional Association last week. Reading about your background, experience, and the dedication you have given to the Boys & Girls Club of Dane County certainly demonstrates why you are so deserving of this award.

Thank you for the difference you are making in so many kids' lives. You embody our vision to ensure every child that walks through our doors graduates from high school with a plan for the future through achieving academic success, good character and citizenship, and healthy lifestyles. It is also clear through your commitment to our youth that more kids are coming more often to the Club.

Once again, congratulations on your spotlight and thank you for all that you do to make a difference in so many lives.

Best and warmest regards,

Jim

*Congrats again Michael -
