

# Boys & Girls Club of Dane County Fundraiser

press release: In honor of their first anniversary on July 1, Savanna Beauty Supply will donate a portion of all sales to the Boys & Girls Club of Dane County. The youth organization provides a safe and positive environment for kids.

As a local business, Savanna Beauty Supply is a strong supporter of community organizations. Donating to the Boys & Girls Club of Dane County is the kickstart of an ongoing campaign to give back. The youth group will receive a portion of all customer sales generated July 1 and 2, so shoppers are encouraged to purchase goods those days.

“Giving back to the community that has supported us during our first year of business is very important to me,” said Stephanie Sarr, owner of Savanna Beauty Supply. “The Boys & Girls Club of Dane County is an amazing organization that we’re proud to support.”

The Boys & Girls Club of Dane County provides a positive place for local youth to learn and grow. Their goal is to inspire kids to dream while developing skills to achieve. Trustworthy adults, teachers, and mentors guide youth through five core areas including character/leadership development, education/career development, health/life skills, arts, and sports/fitness/recreation.

Savanna Beauty Supply is a retail store providing beauty products to the general public. In addition to donating a portion of sales to the Boys & Girls Club on July 1 and 2, they will also be celebrating their one year anniversary with giveaways. The festivities on July 2 will include a local artist doing a live painting from 11a-3p, and a spoken artist reciting poetry from 5-8p. A raffle drawing will take place at 4p. Attendees will also enjoy food, music, and other activities. The store is located at 1712 Eagan Road in Madison.
